

Hitch

Adventure is a Hitch away.

CRUISERRV

Great American Trailers.

Hitch:

A new way to enjoy the outdoors.

Built to handle extreme terrain but towable with lightweight vehicles, Hitch is the newest product line to be introduced by Cruiser RV. Hitch is a fun, industrial built ultra-lite travel trailer equipped with unique features for today’s adventurous camper. With an all-aluminum superstructure, Azdel composite walls, and plywood floors it holds true to Cruiser RV’s mission of building Great American Trailers. The Hitch lineup consists of 4 extremely functional floor plans that are 7’ wide, 17’-21’ long, and weighing 3,500-4,000lbs. Our standard fiberglass roof, 15” tires, and single torsion axles are built for the season, and any terrain you want to explore. And the best thing about Hitch, is there is no need to plug in! Our standard 1200W inverter with 110W roof mounted solar panel allows you to go where you want, when you want and enjoy the high-end amenities that come standard. With so many features and so much flexibility, adventure is just a Hitch away.

MADE IN THE U.S.A.

Product information is as accurate as possible as of the date of publication of this brochure. Due to Cruiser's commitment to continuous product improvement, floor-plans, materials, components, features, measurements, specifications, options, etc. are subject to change at any time without notice or obligation. In certain conditions some additional equipment may be needed. Photos may show optional equipment or props used for photography purposes only. Cruiser has listed the approximate base weight of the trailer without the optional equipment included. Optional equipment will impact the weight of the trailer. Please locate the weight sticker attached to the trailer you are considering for the most accurate trailer weight. Tow Vehicle Caution: Owners of Cruiser recreational vehicles are solely responsible for the selection and proper use of tow vehicles. All customers should consult with the motor vehicle manufacturer or their dealer concerning the purchase and use of suitable tow vehicles for Cruiser products. Cruiser disclaims any liability or damages suffered as a result of the selection, operation, use or misuse of a tow vehicle. Cruiser's limited warranty does not cover damage to the recreational vehicle or the tow vehicle as a result of the selection of the tow vehicle. Overall length for a Fifth Wheels is defined as the body length of the trailer excluding hitch meaning bumper to cap. The overall length for a Travel Trailer is defined as the body length of the trailer including hitch, meaning bumper to hitch (pin) It does not include rear ladder or spare tire. Optional pin boxes will affect overall length.
