Adventure Without Limits.
Comfort Without Compromise.

 **noovo** LIVE ANYWHERE

Noovo Next

Discover what makes the Noovo Next stand out. From smart design to advanced technology, these top features are crafted to bring you comfort, freedom, and unforgettable journeys.

RVIA Certified

RV Industry Association-certified, our Noovo Next meets over 500 safety standards across electrical, plumbing, heating, fire & life safety, and construction, facilitating easier financing, insurance, and resale.

Remote Work Friendly

Stay connected wherever the road takes you. With satellite internet via Starlink, Noovo makes remote work seamless by delivering fast and reliable connectivity, even in the most remote destinations.

Roof Deck

Take in the outdoors from a whole new perspective. The Noovo roof deck is perfect for sunrise yoga, stargazing under the night sky, or simply relaxing with breathtaking views.

Fully Equipped Kitchen

Cook and connect on the road with modern counter space, premium appliances, a double invisible induction cooktop, and smart storage, bringing the convenience of home to your travels.

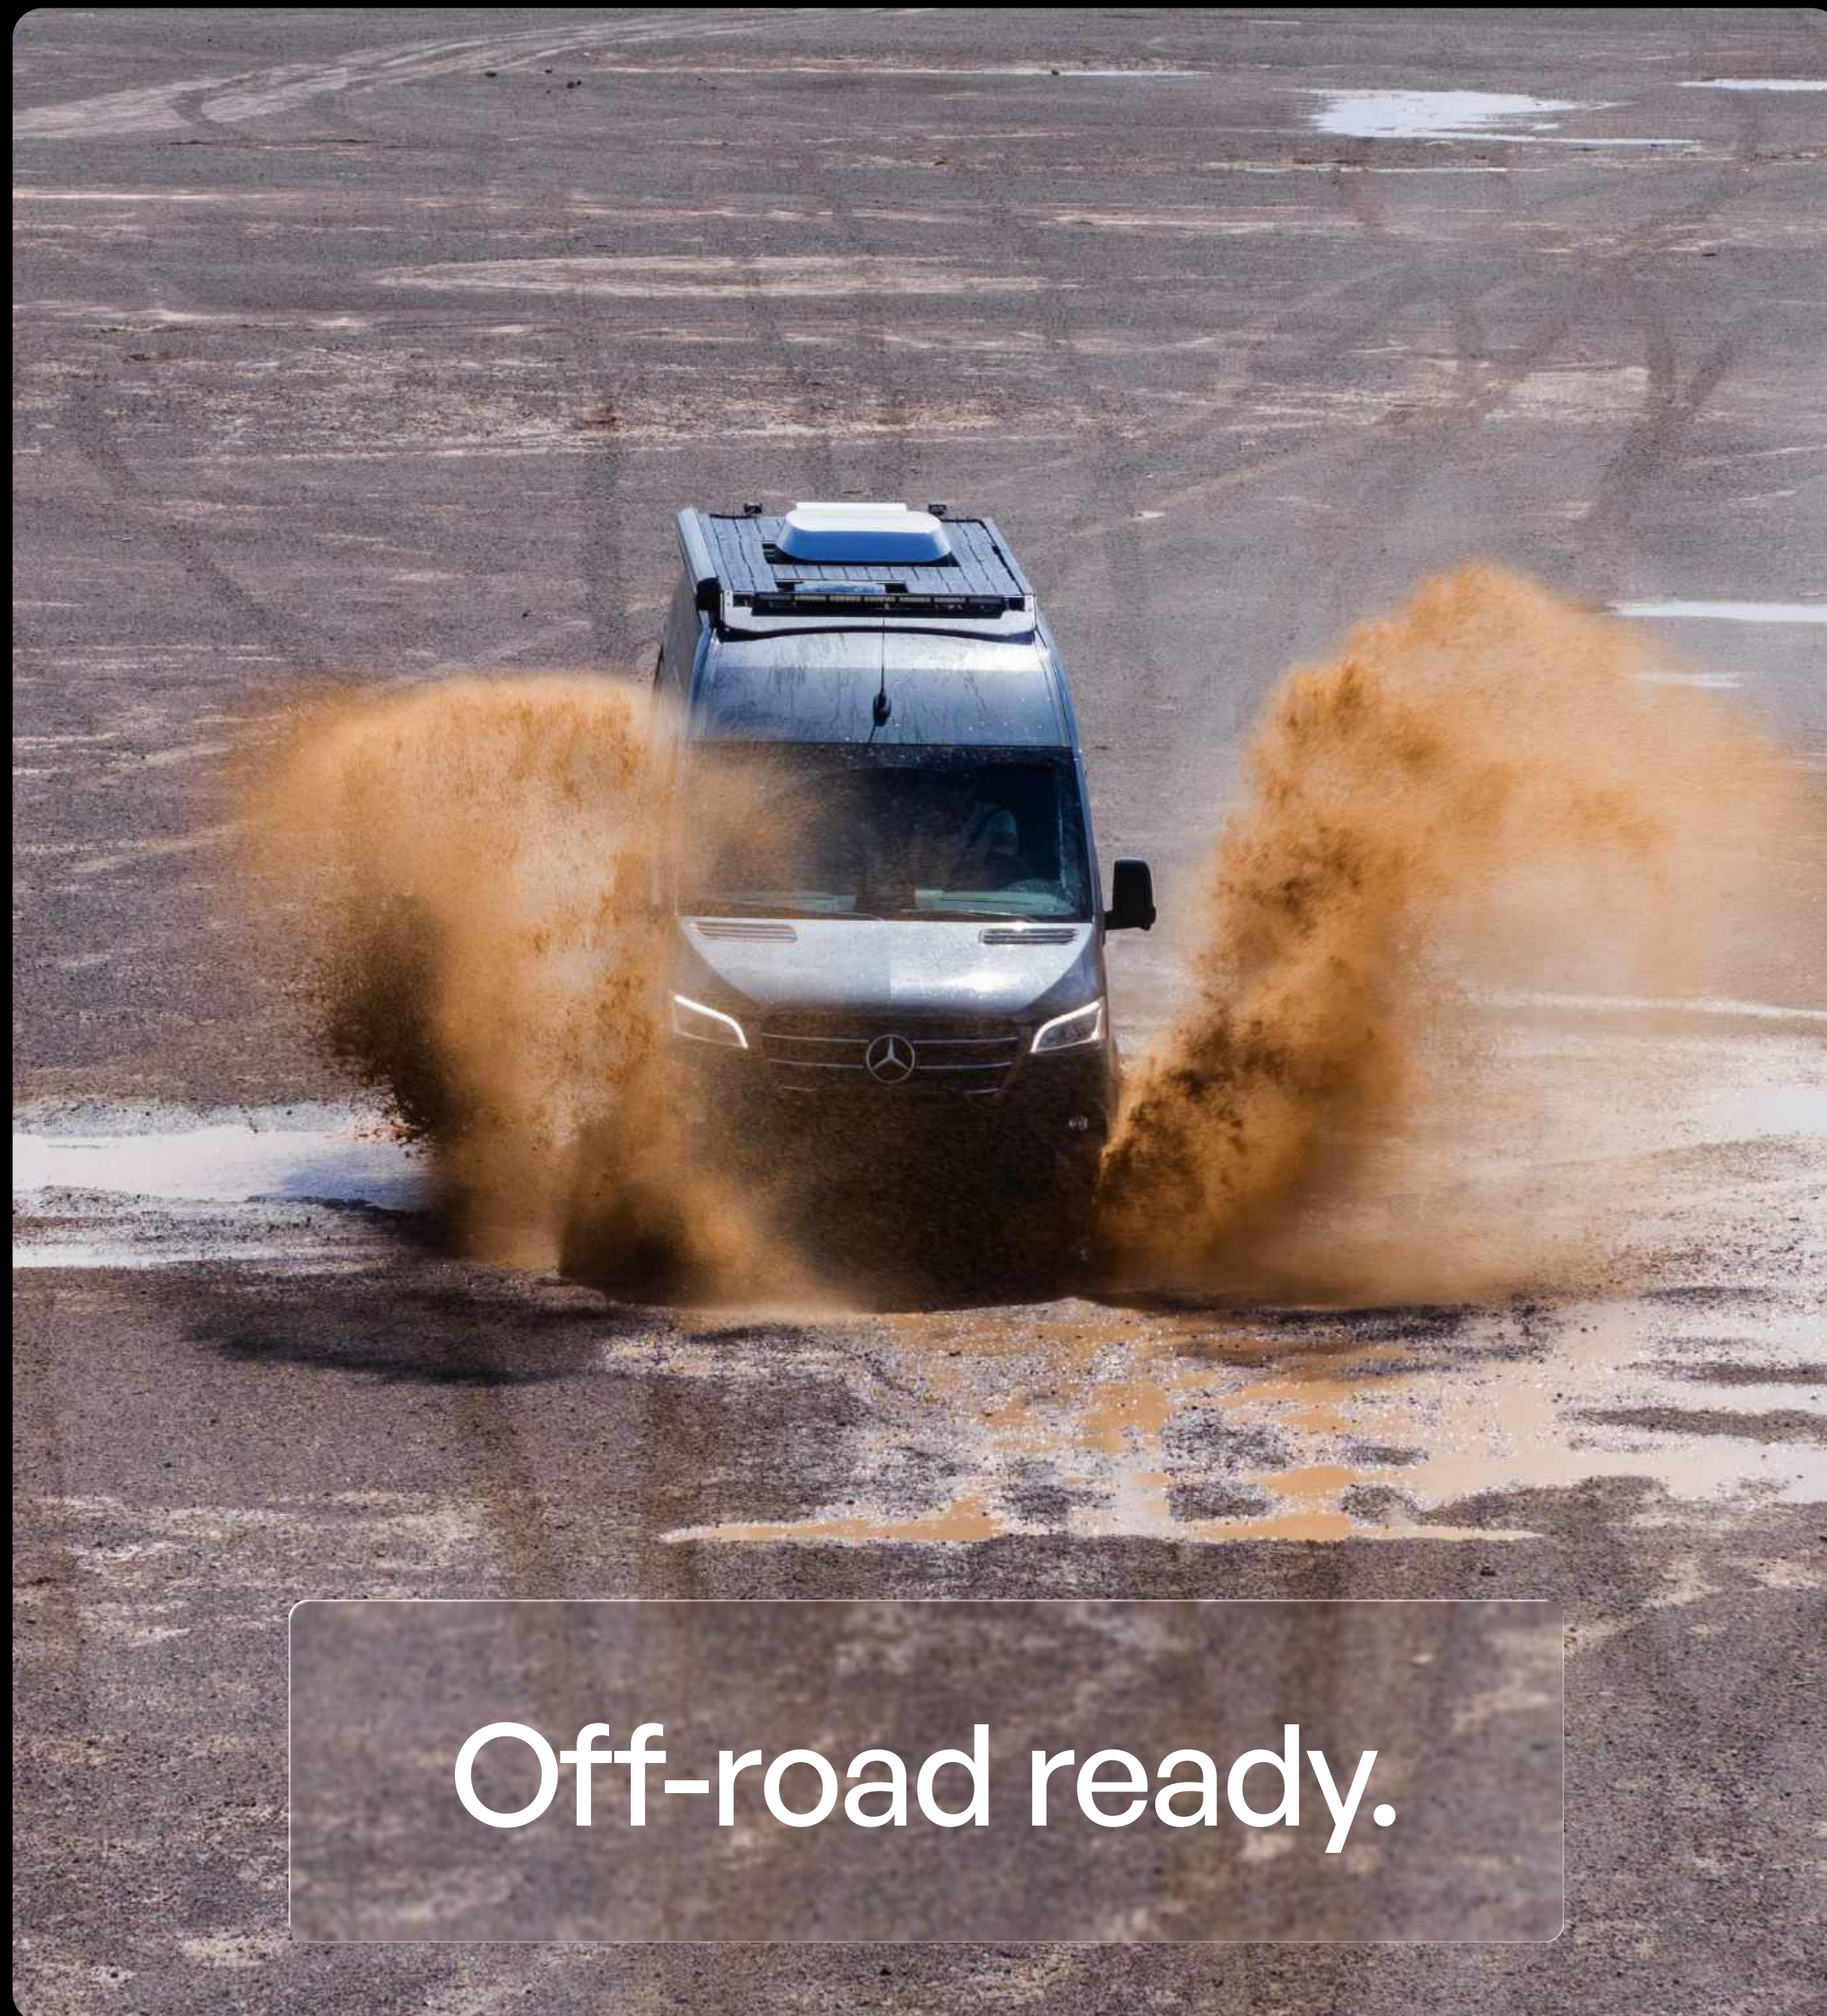

Queen-Sized Bed

Sleep in boutique-hotel comfort with a queen-sized RV bed. The reclining system lets you raise the top of the bed for extra comfort while reading, watching a movie, or simply relaxing under the stars.

4K Smart Projector

Turn your van into a private cinema. The built-in 4K smart projector makes movie nights unforgettable, whether you're camping in the wild or relaxing at a campsite, enjoy entertainment in ultimate comfort.

Off-road ready.

Inside, a retreat.

100% Off-Grid

Travel freely without ever needing to plug in. Our advanced lithium system delivers boundless energy, giving you the ultimate freedom to explore without limits.

Ducted Off Grid AC

Enjoy cool comfort day or night. Run your A/C seamlessly even when completely unplugged and off-grid.

Garmin Screen

Control your van with ease. The integrated Garmin system manages heating, hot water, and more all at your fingertips.

51 volt Lithionics system with Secondary alternator

Powerful and reliable. Our 51V Lithionics battery system, paired with a secondary alternator, ensures unmatched energy storage and fast recharging on the road.

Satellite Wi-fi

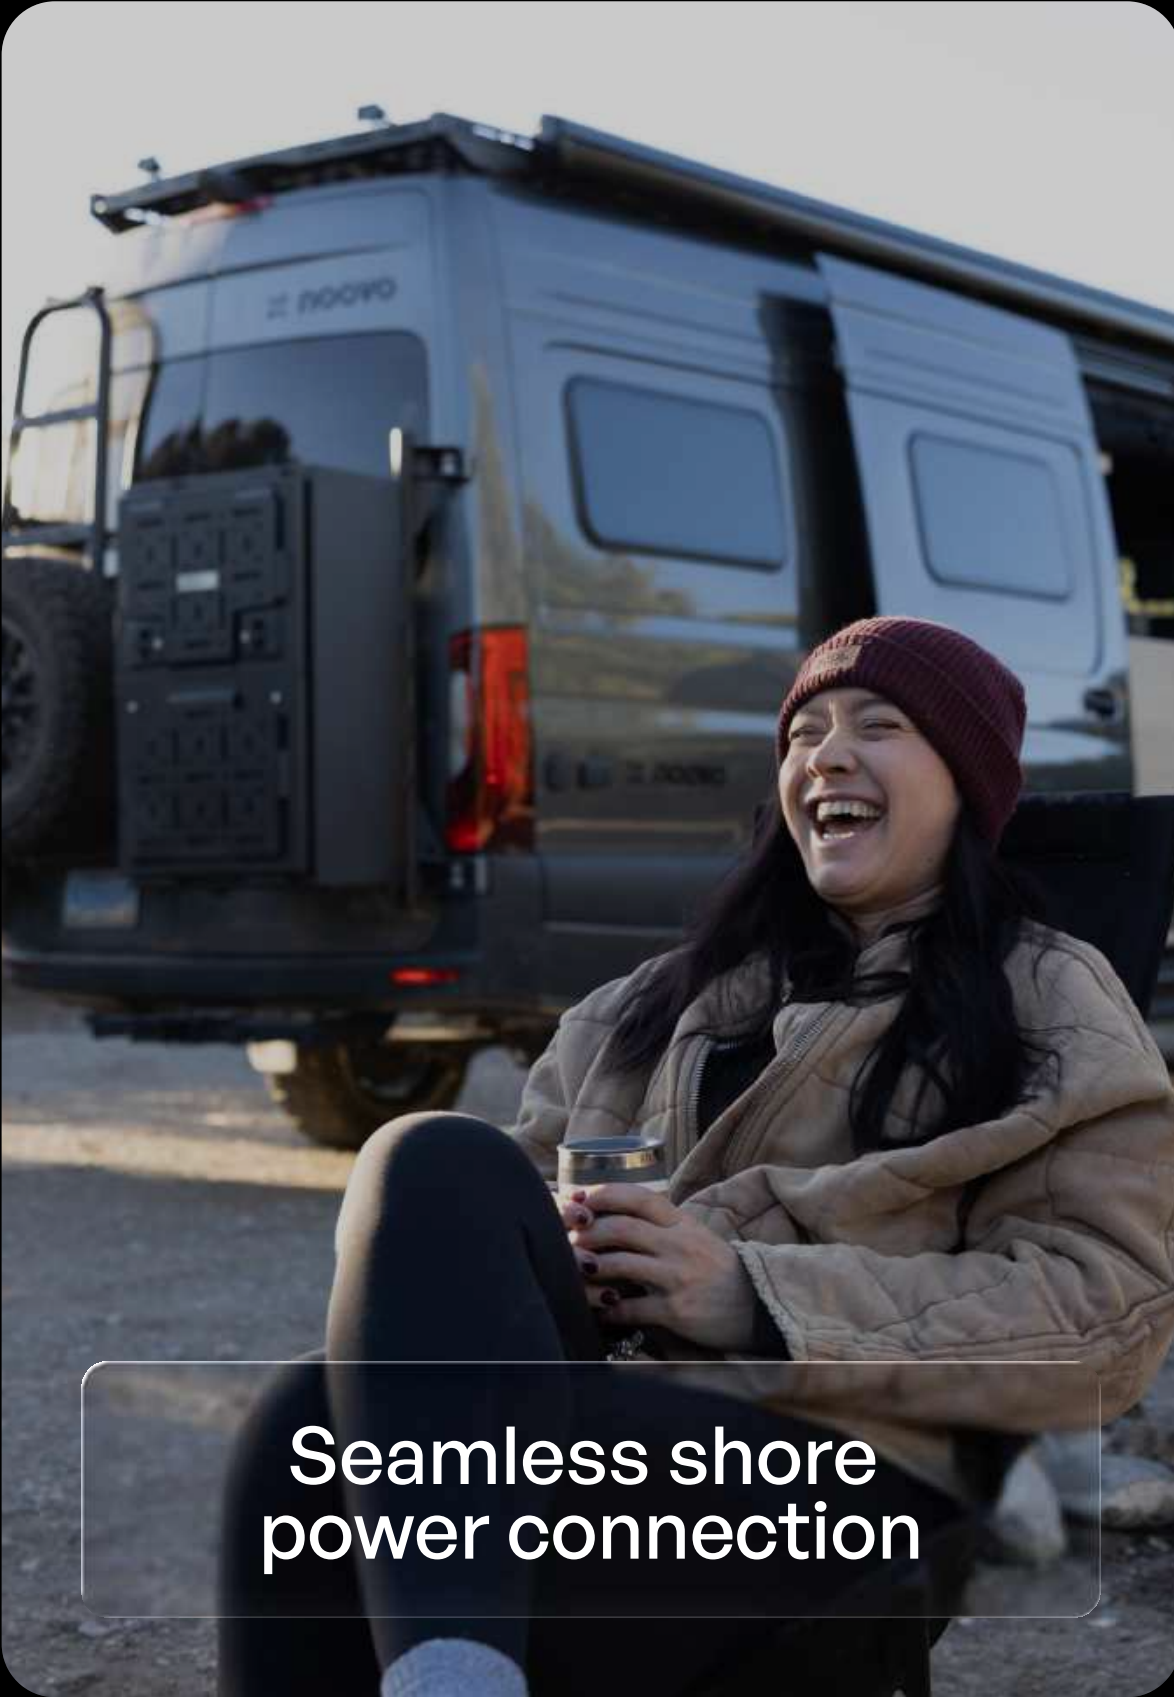

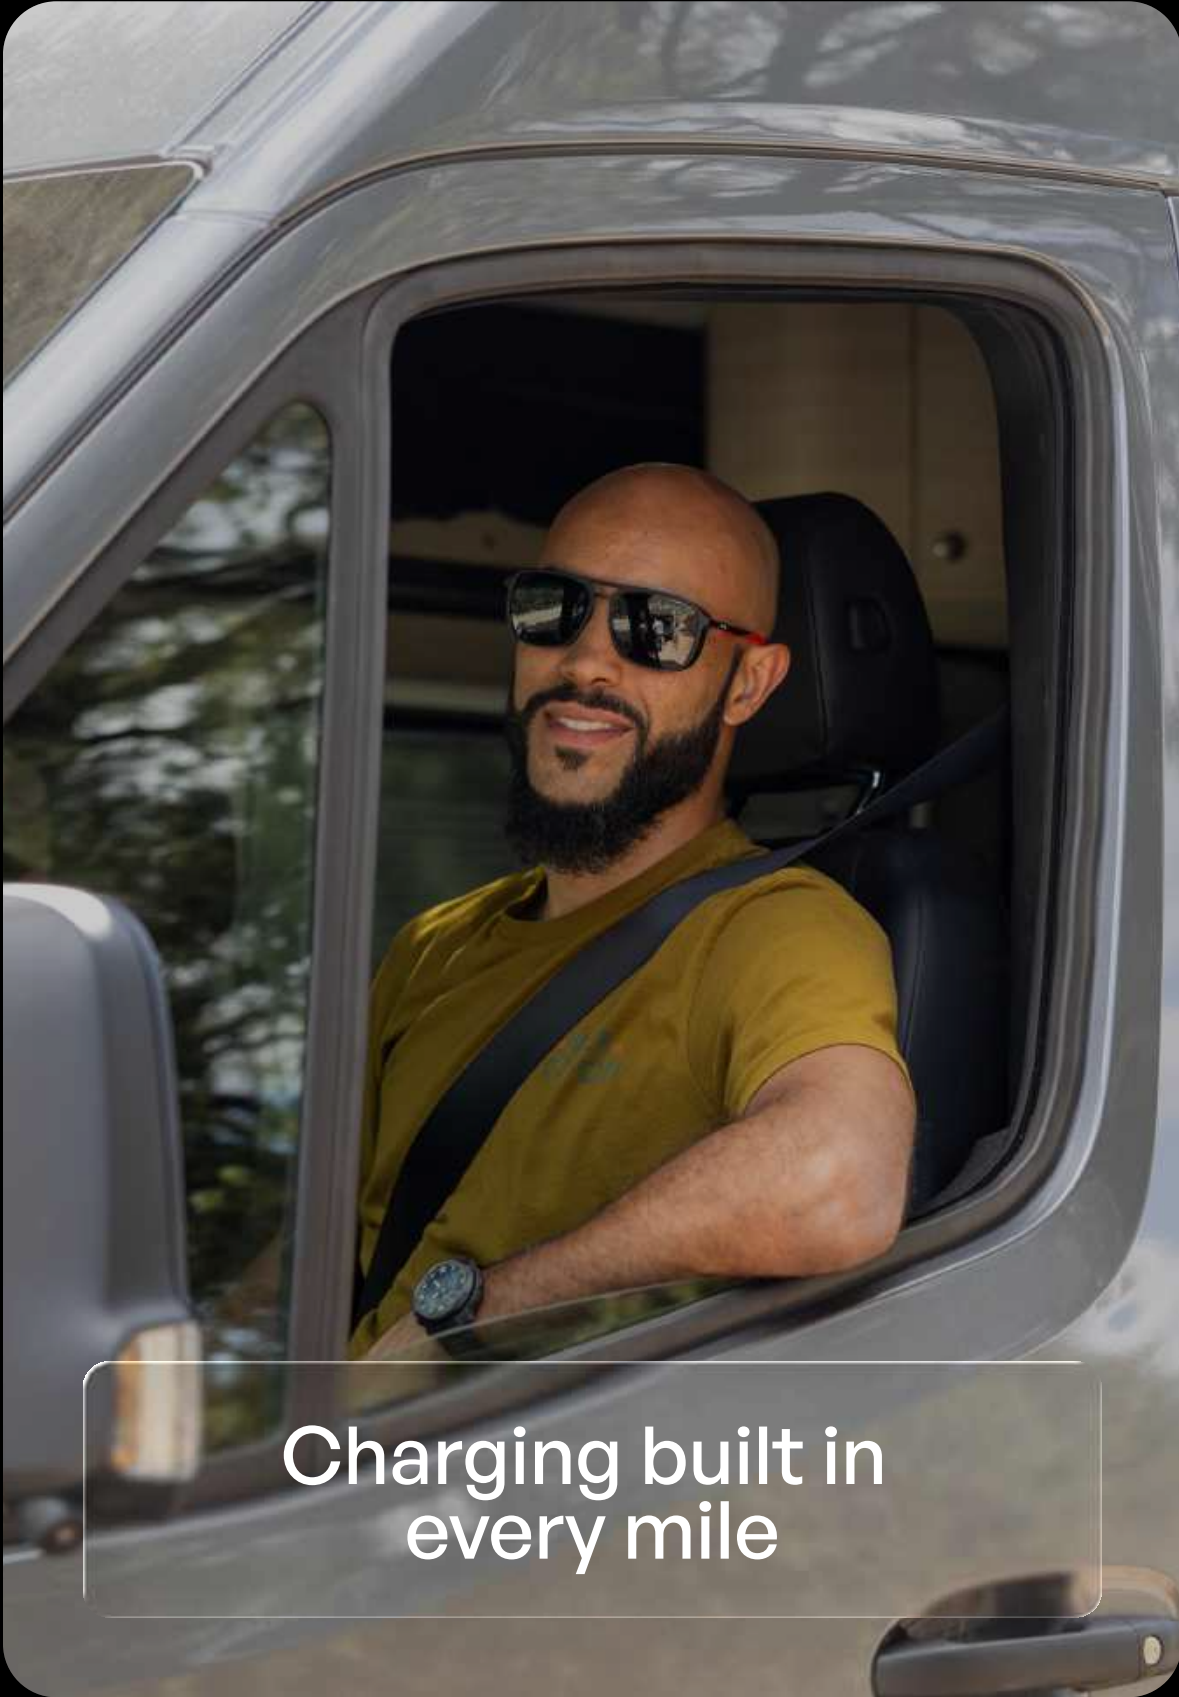

Stay connected wherever you roam with reliable satellite internet—perfect for work, streaming, and staying in touch off the grid.

Heated floor

Experience cozy comfort in any season with radiant heated floors that keep your van warm and inviting.

Invisible 2 burner cooktop

Seamlessly integrated into the countertop, the invisible induction cooktop provides modern design, powerful cooking, and easy clean-up.
