FULL-PROFILE FIFTH WHEELS

LIVE IT OUT.

STUNNING ASPEN OAK INTERIOR MAKEOVER

This is the big story for fall. Literally everything in Avalanche's interior has been transformed. Dark walnut cabinetry has been replaced with a gorgeously-grained Aspen Oak in a soft gray finish. A darker accent wood used in the fascia, molding and island creates interest and adds a richness.

New & Noteworthy:

- Airy Aspen Oak woodgrain cabinetry with contrasting Renewed Oak accents and vintage wire mesh glass inserts
- High-contrast linear tile backsplash adds interest in the kitchen
- Modern geometric tile fireplace surround
- Polished natural stone solid surface countertops
- Carpeting has been eliminated, coaches feature varied plank width resilient flooring throughout
- Wine racks added to most models
- Island, valance and bedding design all updated

High-Fidelity Video and Audio

Premium Jensen® video and audio components engineered specifically to withstand road vibration are now available in all Avalanche models. This includes three, separately controlled sound zones that can be operated via Jensen's smartphone app and a single speaker system designed specifically for the master suite.
