

2021 SUPER CLASS C MOTOR COACH

SUPER STAR

The Expedition Begins Here

An immediate favorite when introduced last year, the 2021 Super Star gets even better. The full air-ride cab is a segment-first innovation that means an incredibly smooth ride, and 40' models have an increased wheelbase length for even greater ride quality. A large sky window above the cockpit lets natural light come streaming in, and a full-wall slide-out and exclusive step-free aisleway mean more space than you could imagine in a Class C. Whatever you're on the hunt for—be it big game or good times—the Super Star makes a perfect home base.

An Instant Star 2021 Super Star

Every Super Star is built on a Freightliner® M-2 106 chassis. Powered by a Cummins "L" diesel engine with 350 HP and 1,150 lb./ft. of torque, Super Star makes it easy to explore the backcountry and bring along another vehicle or boat with a 20K rear towing hitch. The Super Star also features cruise control, an energy management system, and remote-controlled exterior mirrors with defrost. Plus, the industry-exclusive full-paint Masterpiece™ finish on the exterior makes sure you stand out.

Be at Home in the Backcountry

The Super Star is like a perfect lodge—a great place to come back to after a day in the woods, or to just stay inside and stay warm. Four floor plan options offer a variety of furniture layouts, like an Ultrafabric hide-a-bed sofa and two ottomans, and a Villa Comfort Fit convertible booth dinette with additional storage. Or opt for a pair of recliners and buffet dinette. Either way, you'll be comfortable enjoying the standard entertainment features: a Samsung® 50" LED 4K TV, Sony® Blu-ray player, and a Bose® Solo 5 soundbar. And no matter the season, you'll stay cozy with two Penguin™ heat pump air conditioners with wall-mounted sensors.

Right on Target

The getaway begins in the cockpit, with air-ride captain's chairs that feature pneumatic lumbar support. A power shade over the sky window helps control the lighting. A standard Rand McNally navigation system means you know where you are even off-grid, and is displayed on a large monitor with turn-by-turn directions. Side-view cameras are standard for a total view of your surroundings. New JBL speakers offer crystal clear sound for your favorite music or podcasts. And two available Wi-Fi packages mean you're connected even when you're getting away from it all.

Gourmet Game

Inside the Super Star galley, you'll find appointments perfect for any home chef. A Norcold® refrigerator with brushed aluminum door insert panels, a Suburban Elite Series 3 gas cooktop with a cover for additional counter space, and a stainless steel convection microwave are all standard. If you choose, you can upgrade your appliances, like an electric cooktop, four-door Norcold® fridge, and a dishwasher. The countertops in the Super Star are solid-surface and polished for a beautiful shine, and sit in front of a hand-laid tile backsplash. Hardwood cabinets include soft-close drawers, and pull-out pantry shelves on select floor plans mean you don't have to leave any of your favorite kitchen tools behind.

A Place to Bed Down

A long trek in the woods can take it out of you, so the bedroom of the Super Star is made for the ultimate in relaxation, starting with the king-size plush pillow top mattress that you can upgrade to a Sleep Number® adjustable mattress. You'll have all of your gear at hand with a six-drawer dresser and rear-wall hanging wardrobe. For charging your field tools and gadgets, there are USB chargers on each nightstand. And if TV is your way to unwind, you'll find a 43" Samsung® 4K LED TV and a Blu-ray player at the ready across from the bed.

Start the Day Fresh

The Super Star bathroom is made to wash away a long day. A spacious shower features gorgeous Sentrel walls, a glass door, and an Aqua Miser® shower system. A fold-down shower seat is also available. Medicine cabinets and a linen closet provide even more storage space for your essentials and nice-to-haves. To help you stay off the grid longer, an available Splendide® stacked washer and dryer are also available. And if you're coming back dirty, a standard exterior shower system can help you keep things clean inside.

A Trophy in the Wild

Because the great outdoors is meant to be enjoyed, the living space of the 2021 Super Star extends outside as well. A Girard® G2000 integrated side awning comes standard, with an optional Carefree window awning package including either three or four window awnings. The entry door features a keyless entry touch pad with a doorbell to add security and peace of mind, and an automatic hydraulic triple entrance step makes getting in and out a breeze. Underneath, you'll find class-exclusive pass-through basement storage that gives you plenty of space to bring home any trophies you collect in the wild—or for any other kind of trip you're taking. And the coach is powered by an 8.0 kW Cummins Onan® diesel generator.

The Newmar Customer Experience

The Newmar difference goes beyond our industry-leading motor coaches to provide you with an unrivaled ownership experience.

QUALITY FROM THE START

Every Newmar is crafted one at a time by folks who have spent an average of eight years building them. And each coach we assemble must undergo more than 1,000 tests and checks before ever leaving our factory.

CAREFULLY SELECTED DEALERS

We view our dealership network in terms of quality, not quantity. Each of our dealers acts as a partner in our shared mission to exceed your highest of expectations, for an ownership experience that's second to none from day one.

EVERYTHING IN ONE PLACE

As a Newmar owner, you'll find resources specific to your coach through Newgle, an easy-to-use knowledge base that houses everything from user guides to technical support documents.

FRIENDS FOR LIFE

Meet fellow owners through the Newmar Kountry Klub, a top social club for RV travelers that hosts rallies and other special events throughout the U.S. and Canada.

SEAMLESS SERVICE

When you join the Newmar family, we pair you with a dedicated service specialist with expert knowledge of your exact coach. Available 24/7, our service specialists guarantee dealer warranty authorizations within four business hours and ship all in-stock parts the same day, free of charge.

ROCK-SOLID PROTECTION

All models include a one-year/unlimited mileage limited warranty and a five-year, non-transferable structural warranty that covers your coach's superstructure in the event it fails to perform.

Ask your Newmar dealer for more details.

Our People Take It Personally

Since Newmar was founded in 1968, our goal has been to build a better RV.

We have always believed that traveling shouldn't mean leaving behind the comforts you enjoy, so our coaches are crafted to be residential-quality homes—complete with handmade cabinetry and designer décors.

Every Newmar is built by hand, one at a time, by men and women who have dedicated years to creating superior-quality coaches that surpass their mass-produced competition.

We don't want to simply ask you to trust us when we talk about the Newmar difference. We want to prove it, every single time you hit the road. Because we take pride in the responsibility of designing, engineering, and constructing your motorhome.

And we know you'll be proud driving one on the way to your next destination.

When You Know the Difference.
