CAMPERVANS

Technical Specifications

Uniquely **Auto-Trail**

YEARS OF EXPERIENCE

2022 is the year Auto-Trail celebrates its 40th Anniversary designing and building motorhomes using our unique, proven construction methods and techniques.

Built on the latest Fiat Ducato chassis, our range of 17 unique campervans ensure there is a layout and level of specification suitable for your lifestyle. Whether you're downsizing from a large coachbuilt motorhome or wanting a little bit more luxury in your weekend van, every Auto-Trail features a washroom including a shower, a fridge, gas hob, oven and cab air-conditioning.

Every campervan is made with a combination of traditional techniques and skills, as well as modern and precise methods, such as CNC machinery. Keeping you comfortable in all weathers is paramount, with insulation added to all possible areas in the chassis which ensures we achieve the Grade 3 insulation standard in all models except the elevating roofs. Cost options include WiFi, Smart TV and colour reversing camera, and each range is finished with its very own designer soft furnishing scheme.

Enhancement **packs**

LUX PACK

Only available on V-Line S

ONLY
£2,368

8" Zenec touch screen dashboard head unit – featuring radio with 'motorhome specific' satellite navigation and selectable rear camera view

† Mass in Running Order (MRO): The Mass in Running Order (MRO) is the mass of the empty vehicle including a 75kg allowance for the driver, the diesel tank full and an LPG cylinder full. The MRO is calculated with the freshwater tank empty on all models and with one 13kg LPG cylinder. Should you choose to travel with water in your freshwater tank, or an additional LPG cylinder, then the MRO figure must be adjusted accordingly.

TOLERANCES: The MRO figure quoted is representative of a number of similar specification models weighed on our fully calibrated axle weighbridge. Because of the materials and construction techniques used in the manufacture of our motorhomes, all weights quoted by us are subject to the tolerances allowed in Regulation (EU) No. 1230/2012 (+/-5%).

Specifications & discrepancies: Auto-Trail VR Limited reserves the right to continually alter product or equipment specifications, prices and model ranges as materials and conditions demand, including during the course of a model year. This may affect the appearance, mass in running order and other specifications, and therefore some discrepancies may arise between the published information and the model supplied. Details of performance, dimensions and weights are subject to minor deviations within factory tolerance limits (max +/- 5%). Colours shown in our brochures are representative only. The contents of this publication are as accurate as possible at the time of going to press, but this should not be regarded as an infallible guide.

AUTO-TRAIL

COACHBUILT & A-CLASS

Technical Specifications

Uniquely Auto-Trail

YEARS OF EXPERIENCE

2022 is the year Auto-Trail celebrates its 40th Anniversary designing and building motorhomes using our unique, proven construction methods and techniques.

CUBE CONSTRUCTION

As with any home, foundations are critical. That is why we build all our motorhome bodies on specially constructed platforms, before being mated to their respective Fiat, Ford or AL-KO chassis.

Our Cube construction is designed to create a rigid square body which is structurally cohesive. Once complete, the body is then integrated with the chosen chassis using the latest mechanical and adhesive systems.

All body panels use the latest extruded core materials to give increased rigidity and insulation when compared with traditional materials used in the industry.

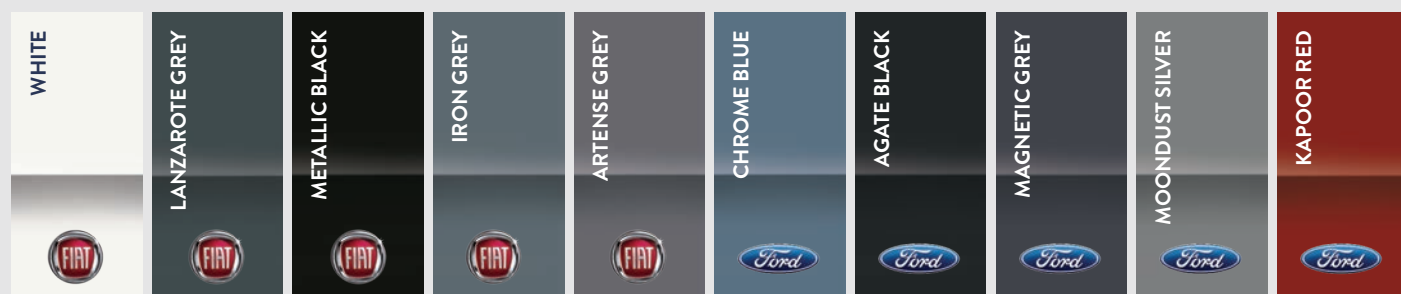

Soft furnishings

Cab colours

Whether you have opted for a Fiat or Ford, both chassis come with a range of exterior colours to choose from (excluding Grande Frontier).

Enhancement packs

DRIVERS PACK

Fitted to F-Line models only

ONLY
£1,578

- High series headlamp with static bending
- Power adjustable and heated mirrors
- Automatic headlamps
- Front fog lamps
- Body colour side mouldings
- Heated front windscreen with low washer tank warning
- Trend instrument panel including locking glove box
- Colour coded front bumpers
- Cab air conditioning
- Rain sensing wipers
