BUNDUTOP

The BunduTop, our top seller - comes standard with an aluminium sliding ladder, two storage pockets, a cigarette lighter plug and an 12V LED light inside. The roof is a raw aluminium sheet to ensure maximum heat reflection and is the main reason you can sleep comfortably cool inside, even in direct sunlight.

- ▶ The tent has 360° access and view.
- ▶ The frame built into the bottom of the tent provides additional strength and makes it versatile to mount.
- ▶ A high density foam mattress inside measures: 2000 x 1250 x 100 mm
- ▶ The tent has been tested extensively and has proven to withstand 50 mph winds and has also performed well in snow.
- ▶ Solar wiring is included for solar panel installations.
- ▶ Tent fully closed - all sides & awnings folds away in 30 seconds at the press of a button.

BunduTop Standard Size Closed: 2100 x 1350 x 300 mm
 BunduTop Standard Size Open: 2100 x 1350 x 1070 mm
 You can order a custom sized BunduTop up to 1.6m wide and 3.1m long.

EXTRAS

- BunduAnnex & BunduSuite
- USB port
 - If you prefer we can add a USB port to your rooftop tent.
 - It will be accessible from inside.
- 12V fan
 - As an additional extra you can add 12V fans.
 - They can be switched on and off with their own individual switches from inside the tent. The wiring for the fans also run underneath the roof-lining.

PROS

- Lifts or lowers at the touch of a button
- Rigged for solar panels
- Has an LED light and cigarette lighter plug inside
- Leave bedding inside
- Weighs approx. 80 kgs

CONS

- Takes up a lot of roofrack space

INCLUDES

- Full electric operation
- Shade awning around all four sides of the tent
- Tent fully erect, with awnings, in 30 seconds at the press of a button
- Window covers zip open/closed from the inside
- Insulated roof inside
- All aluminium construction
- Stainless steel supports:
 - The tent has an existing aluminium frame built into the bottom. If replaced with stainless steel the frame can accommodate an overhang of up to 500mm.

Colours

BUNDUAWN

The BunduAwn gives 360° coverage from sun and rain up to 4m long and has been designed not to need support poles. This awning boasts a large surface area and custom lengths.

- ▶ Manual operation.
- ▶ Shade awning around all three sides of the vehicle.
- ▶ Additional lifter arms add 500mm of drop for increased water run off
- ▶ Aluminised to reflect heat away
- ▶ Cool even in direct sunlight
- ▶ 2.45m, 2.75 and 2.95m options
- ▶ Full aluminium construction
- ▶ No hot air gets trapped underneath
- ▶ Our side panels are manufactured in 4 styles.
 - A Plain Canvas Side Panel
 - A Canvas Side Panel with a window
 - A Canvas Side Panel with a door
 - A Mesh Side Panel

FEATURES

- Aluminised coating reflects heat away
- Lightweight and easy to handle
- Offers a huge surface area for more shade
- Offers additional lifter arms for an increased angle that facilitates water run off.

BUNDUCUBE

The BunduCube is the latest product on offer from Bundutec – a Shower Cubicle/dressing room for your privacy needs. It pitches with our signature Pro-Pitch technology, simply unzip the bag, roll down the canvas and by grasping the top rail just pull towards you to pitch it. It has an additional frame in the bottom for extra rigidity so that the canvas doesn't blow against you in windy weather. It also offers a 1.2m x 1.2m cube, to give additional space, making it one of the largest on the market. It weighs in at 5.5kg, is made from Alias canvas – a high performance material which is UV treated – so no fading!

The BunduCube can mount to any roofrack – and its ease of use is a testament to the BunduTec brand's innovation. There is a zip on one corner of the cube for easy access, and all the materials used in this design are high quality, durable and made to last!

*Please note the BunduCUBE can not be used with the BunduANNEX.

BUNDUSUITE

The BunduSuite can be used as a standalone dressing room for your privacy needs, or in conjunction with the BunduAnnex for a fully closed entrance to your BunduTop. It is nearly double the width of the cube, offering an annex to your BunduTop.

It offers a 2.1m x 1.3m area, to give additional space, making it one of the largest on the market. It weighs in at 7kg, is made from Alias canvas – a high performance material which is UV treated – so no fading!

- ▶ Can mount to any roof rack, but it is specifically designed to mount to the BunduTop – and its ease of use is a testament to the BunduTec brand's innovation.
- ▶ There is a zip on one corner of the Suite for easy access
- ▶ High quality, durable and made to last!

BUNDUANNEX

The BunduAnnex follows the same product guidelines – ease of use. It offers a private entry to your tent and keeps off the rain. It has openings on each side at the top which due to it's nature cannot be permanently closed. The side panel used to enclose it, offers privacy and ventilation.

- ▶ Easy to use and remove
- ▶ Straightforward design with utility in mind.
- ▶ The BunduAnnex comes in a standard size and a custom size for longer BunduTops.

- ▶ Cannot be manufactured smaller than our standard size.

BUNDUTRAIL

You can also fit a BunduTop on top of the trailer to convert into a four sleeper! Camping is now easier than ever with our new BunduTrail. Setup camp in under 5 minutes.
